**OIL FIRED BOILERS**

## **\*TERMS & CONDITIONS**

1. Offer applies to Grant Vortex Condensing boilers only installed between 1st September 2005 and 31st December 2006. Subject to funding being available from the EEC scheme listed below.
2. Offer applicable to domestic installations on mainland UK only (excludes Northern Ireland, Channel Islands and the Isle Of Man).
3. As some of the funding for this promotion has been provided through the "Energy Efficiency Commitment Scheme", upon acceptance, no further claims relating to the same installation address can be made against similarly funded schemes.
4. A copy of the purchase invoice for the Grant condensing boiler must be attached to the completed claim form **and a clear householder/owner's signature\*\* must be provided.** Illegible or invalid claim forms will be returned to the installer.
5. The £75 Grant is for one individual boiler installed at one domestic installation address and does not apply to commercial installations.
6. Please allow up to 28 days to receive your Grant payment.
7. Any tax liability arising from this promotion is the responsibility of the claimant.

**\*\*Failure to obtain the householders/owners signature will result in the Grant claim form being returned.**

**Further vouchers can be downloaded from our website at:
