

## 28KW AND 35KW SYSTEM BOILERS

- SEDBUK Band D
- Fully modulating 28kW and 35kW system boilers
- Simple installation and commissioning
- All major system components built in - pump, expansion vessel, safety valve, automatic air vent, automatic by-pass - saving space, installation time and material
- Simple servicing with all components in one place.
- Electronic ignition to fully modulating burner
- Optional built-in programmers available
- Versatile concentric and twin flue options available
- Many built-in features:
  - frost protection
  - anti-cycling control
  - automatic by-pass
  - electronic ignition
  - self diagnostic fault-finding
  - automatic pump spin
